COMPANY PROFILE

Plantain is a supplier of the finest quality natural essential oils, cosmetics and other speciality aromatherapy products. Plantain can offer full brand development of natural high quality cosmetics and aromatherapy ranges with marketing support to promote and implement your personal range.

Manufactured in UK. We offer full private label, own label and OEM brand development of cosmetics and trade aromatherapy ranges with marketing support to promote and implement your personal range.

We supply trade aromatherapy products and small pack quantities of natural essential oils to aromatherapists, wholesalers, health centres, schools, colleges and retail outlets. UK and overseas.

We stock over 200 different oils identified in botanical species and origin, together with a full range of essential carrier oils, absolutes and natural cosmetic bases. We also develop fragrances to customers requirements.

All natural base cosmetics are manufactured to latest Cosmetic Regulations and its amendments. We offer packaging and design advice to help personalise your own range of natural essential oil products.

Plantain is a company that offers product choice and quality at competitive prices together with a first class, personal service. We are always pleased to source new essential oil products and meet special requirements.

We are a founder member of the Aromatherapy Trade Council, and can provide full technical data on all our natural essential oils.
